Work experience

01/2024 – present
Houston, Texas

Full-Stack Developer Freelance

- Developed and maintained full-stack web applications using technologies such as React, Node.js, and SQL.
- Implemented responsive design principles to ensure optimal user experience across all devices.
- Conducted code reviews and provided technical guidance to junior developers to ensure code quality and consistency.

07/2023 – present
Houston, Texas

EKG Technician Boston Scientific

- Conducted accurate and timely electrocardiogram (EKG) tests on patients to assist medical staff in diagnosing and treating cardiovascular conditions.
- Collaborated with physicians and nurses to ensure proper placement of electrodes and interpretation of EKG results.
- Maintained a clean and organized work environment, including sterilizing equipment and stocking supplies for efficient patient care.

Education

04/2024 – 11/2024
Washington Dc,
United States

Full-Stack Development Evangadi Inc

- Designed and implemented a fully functional e-commerce website as a capstone project, showcasing proficiency in front-end and back-end technologies.
- Collaborated with a team of fellow students to develop a mobile application from concept to launch, demonstrating strong communication and problem-solving skills.
- Completed coursework in JavaScript, HTML, CSS, and React, achieving a solid understanding of modern web development principles and best practices.
- Participated in hackathons and coding challenges, consistently leveraging creative solutions to overcome technical obstacles and deliver high-quality software projects.

01/2011 – 12/2015
Addis Ababa, Ethiopia

Mathematics | Bachelor Addis Ababa University

- Conducted independent research projects on advanced topics in number theory, resulting in publication in a peer-reviewed mathematics journal.
- Collaborated with fellow students to develop and present workshops on problem-solving strategies for complex mathematical problems.
- Participated in a study abroad program focused on exploring mathematical concepts in different cultural contexts, enhancing cross-cultural communication and problem-solving skills.
